NJ Tiered System of Supports: Strategies for ALL Students to Succeed

Effective use of supports and interventions is a key strategy for the successful inclusion of students with disabilities. Join us to learn about the New Jersey Tiered System of Supports (NJTSS), an evidence-based framework for implementing academic and behavioral supports and interventions to improve achievement for ALL students. You will hear from parents and educators about their experiences and success using NJTSS to support a high quality education for ALL students.

Keynote Speaker:
Michelle Vinokurov Self Advocate

Peggy McDonald, NJDOE Deputy
Chief Learning Supports and
Specialized Services Officer,
will present an overview of NJTSS

Panel of Parents and
Professionals utilizing NJTSS
