

2622 STUDENT ASSESSMENT

The Commissioner of Education shall implement a system and related schedule of Statewide assessments to evaluate student achievement of the Core Curriculum Content Standards in accordance with the provisions of N.J.A.C. 6A:8-4.1 et seq. The Board of Education is required to administer the applicable Statewide assessments according to the schedule prescribed by the Commissioner.

State assessments provide parents with important information about their child's progress; detailed diagnostic information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments will be utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly. Such data can be accessed and utilized as a student progresses to successive school levels.

The New Jersey Department of Education, pursuant to State law and regulations, requires all students to take State assessments as scheduled. There is no provision for a student to opt-out of Statewide assessments. If a student is absent on a testing date, the student will be expected to take the missed test on another school day. Parents and students will be informed of all scheduled testing dates, including make-up testing dates for students who missed the initial testing date.

Statewide Assessment System

The Superintendent of Schools shall develop and annually present to the Board for its approval an assessment program that complies with the rules of the State Board of Education.

Test Administration Procedures and Security Measures

The Board shall maintain an accurate record of each student's performance on Statewide assessments in accordance with N.J.A.C. 6A:8-4.2. Information regarding individual student test scores shall only be released in accordance with Federal and State law.

Accountability

The Superintendent shall report preliminary and final results of annual assessments to the Board of Education as required by the New Jersey Department of Education. The Board will provide parents, students, and citizens with results of annual assessments according to N.J.A.C. 6A:8-4.3. The Board shall provide appropriate instruction to improve skills and knowledge for students performing below established levels of student proficiency in any content area either on Statewide or local assessments. All students are expected to demonstrate the knowledge and skills of the Core Curriculum Content Standards as measured by the Statewide assessment system.
