This year we are implementing an intervention period for each student who is in special education. There will be an extra 20 minutes of instruction using LLI. Using this intervention program, I expect to see the average of students in grades K-2 to increase at least 3 levels for 3.33% , 2 levels for 2.33% and 1 level for 1.33%

Due to our job descriptions being out of date (some dating back to 1992), I will revise 100% of our district job descriptions. I will collaborate with districts who have recently revised their job descriptions as well as our staff who fill the positions.
