Dear Parents/Guardians and Staff:

### **RE: Child Care/Camp**

Following up from my [2020/21 Calendar and Informational Letter](#), I am happy to report that the District has had several meetings with local organizations that will be providing special offerings for child care/camp services spanning the first two weeks of September 2020 to meet the needs of parents in Florham Park.

As a parent, I understand that solidifying child care is a priority; therefore, in addition to other organizations that you might find online that meet your specific needs, I will be providing you with an email by the end of February with information from all agencies that met with the District with their information/flyer. Please note that these organizations are not affiliated with and/or endorsed by the school district, but I feel it is important to provide you with a list of options due to the District's unique situation involving the start of the 2020/21 school year and the scheduled summer 2020 referendum [critical infrastructure capital projects](#).

I would like to again reiterate, at this time, it is not anticipated that the start of the school year for the 2021/22 calendar will be impacted and pushed back since the critical infrastructure capital projects would have already been completed this summer.

As always, should you have any questions, please do not hesitate to contact me.

Sincerely,

*Steven Caponegro*
