

## 1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back – Restart and Recovery Plan for Education” (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fits the district’s local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

    - (5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.
    - (6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district

officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.

- b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.
  - (1) If a visitor refuses to wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.
