

3433 VACATIONS

The Board of Education believes that the school district benefits when all teaching staff members employed to work twelve months a year are given periodic relief from the responsibilities of their positions without loss of compensation or in an individual contract with the Board.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement.

N.J.S.A. 18A:30-7

Adopted: 25 April 2016
