

R 8330 STUDENT RECORDS

A. Definitions (N.J.A.C. 6A:32-2.1)

1. “Access” means the right to view, make notes, and/or reproduce a student record.
2. “Adult student” means a person who is at least eighteen years of age or is an emancipated minor.
3. “Days in membership” means the number of school days in session in which a student is enrolled. A student’s membership begins on the first possible day of attendance following enrollment during the school year, notwithstanding the actual day the student was recorded as present for the first time.
4. “Health history” means the record of a person’s past health events obtained in writing, completed by the individual or the individual’s physician.
5. “Mandated student records” means student records that school districts compile pursuant to State statute, regulation, or authorized administrative directive.
6. “Parent” means the natural or adoptive parent, legal guardian, surrogate parent appointed pursuant to N.J.A.C. 6A:14-2.2, or a person acting in place of a parent (such as a grandparent or stepparent with whom the student lives or a person legally responsible for the student’s welfare). Unless parental rights have been terminated by a court of appropriate jurisdiction, the parent retains all rights pursuant to N.J.A.C. 6A:32. In addition, a resource family parent may act as a parent pursuant to the provisions of N.J.A.C. 6A:32 if the parent’s authority to make educational decisions on the student’s behalf has been terminated by a court of appropriate jurisdiction.
7. “Permitted student records” means records that the Board of Education has authorized, by resolution adopted at a regular public meeting, to be collected to promote the educational welfare of students.
8. “Personally identifiable information” means, but is not limited to:
 - a. The student's name;
 - b. The name of the student's parent(s) or other family members;

- c. The address of the student or the student's family;
 - d. The email address of the student, the student's parent(s), or other family members;
 - e. The telephone number of the student, the student's parent(s), or other family members;
 - f. A personal identifier, such as the student's Social Security number, student number, or biometric record;
 - g. A photo of the student;
 - h. The location and times of class trips;
 - i. Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name;
 - j. Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community who does not have personal knowledge of the relevant circumstances to identify the student with reasonable certainty; or
 - k. Information requested by a person who the district, or private agency that provides educational services by means of public funds, reasonably believes knows the identity of the student to whom the student record relates.
9. "Physical examination" means the assessment of an individual's health, in accordance with the requirements at N.J.A.C. 6A:16-2.2.
10. "School contact directory for official use" means a compilation by a district that includes the following information for each student: name, address, telephone number, date of birth, and school of enrollment. The directory may be provided for official use only to judicial, law enforcement, and medical personnel.
11. "Student discipline record" means information regarding all disciplinary actions taken against a student by a school district pursuant to N.J.S.A. 18A:36-25.1.b. and that is maintained in a student's record.

12. “Student information directory” means a publication of the Board that includes information relating to a student. It shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption. The information shall be the student’s: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information.
13. “Student record” means information related to an individual student gathered within or outside the school district and maintained within the school district, regardless of the physical form in which it is maintained. Essential in this definition is the idea that any information that is maintained for the purpose of second-party review is considered a student record. Therefore, information recorded by certified school personnel solely as a memory aid and not for the use of a second party is excluded from this definition. In the absence of any “information related to an individual student,” the document(s) no longer meets the definition of “student record.”

B. General Considerations (N.J.A.C. 6A:32-7.1)

1. The Board shall compile and maintain student records and regulate access in accordance with the Federal Educational Rights and Privacy Act (FERPA), 20 U.S.C. §1232g, and 34 CFR Part 99, disclosure, or communication of information contained in student records in a manner that assures the security of the records in accordance with the provisions of N.J.A.C. 6A:32-7.
2. Student records shall contain only information that is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record.
3. The district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and Board policies shall be made available upon request. The Board shall make every effort to notify parents and adult students in their dominant language.

4. Nonadult students may assert rights of access only through their parent(s). However, nothing in N.J.A.C. 6A:32-7 or in Policy 8330 or this Regulation shall be construed to prohibit certified school personnel from disclosing, at their discretion, student records to nonadult students or to appropriate persons in connection with an emergency, if the information contained in the record is necessary to protect the health or safety of the student or other persons.
5. The parent or adult student shall have access to the student's records and have access to, or be specifically informed about, only the portion of another student's record that contains information about the student.
6. All anecdotal information and assessment reports collected on a student shall be dated and signed by the individual who originated the data.
7. The Superintendent or designee shall require all student records of currently enrolled students to be reviewed annually by certified school personnel to determine the education relevance of the information contained therein. The reviewer shall cause information no longer descriptive of the student or educational program to be deleted from the records, except that prior notice shall be given for students with disabilities in accordance with N.J.A.C. 6A:14, Special Education. The deleted information shall be disposed of and not be recorded elsewhere. No record of any such deletion shall be made.
8. No liability shall be attached to any member, officer, or employee of the Board permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.
9. When the parent's or adult student's dominant language is not English or the parent or adult student is deaf, the school district shall provide interpretation of the student records in the dominant language of the parent or adult student.
10. Student health records shall be maintained separately from other student records. Student health records also shall be maintained according to the requirements of N.J.A.C. 6A:32-7 until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record.

C. School Contact Directory for Official Use (N.J.A.C. 6A:32-7.2)

1. The Board shall compile and maintain a school contact directory for official use that is separate and distinct from the student information directory.
2. School personnel shall provide information from the school contact directory for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. Upon request from a court, other judicial agency, law enforcement agency, or medical service provider currently providing services to the student in question, school personnel shall promptly verify the enrollment of a student and provide the requester with all information about the student that is contained in the school contact directory for official use.
3. A parent, adult student, or emancipated minor shall notify, in writing, the Superintendent or designee of their request to exclude any information from the school contact directory for official use.

2. These records may include, but are not limited to:
 - a. Personally authenticated observations, assessments, ratings, and anecdotal reports recorded by teaching staff members in the performance of their professional responsibilities and intended for review by another person, provided the record is dated and signed by the originator. The mandated student records shall be disposed of in accordance with N.J.S.A. 47:3-15 et seq.

2. The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth at N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.
3. The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations or as stated in N.J.A.C. 6A:32-7.5(e) and F.5. below.

Only that portion of the record designated by the court shall be withheld. When the district has or

obtains evidence of such court order, the parent or adult student shall be notified in writing within five days of the request that access to the record has been denied and that the person has the right to appeal this decision to the court issuing the order.
