

## 9713 RECRUITMENT BY SPECIAL INTEREST GROUPS

The Board of Education prohibits recruitment activities by outside organizations on school premises, regardless of the purpose of the recruitment or the nature of the recruitment agency. Except as required and referenced below, no information about individual students will be released for the purpose of approaching students for educational, occupational, military, or any other recruitment purpose.

However, a school district that receives funds under ESEA, on request from a military recruiter or an institution of higher education, must provide access to the names, addresses, and telephone listings for secondary students. Parent(s), legal guardian(s) and/or the adult student may request that such information not be released for the child without the prior written parental, legal guardian and/or adult student approval. The district will give military recruiters the same right of access to secondary students as generally provided to post-secondary institutions and prospective employers.

Parent(s) or legal guardian(s) and adult students will be informed annually in writing of their right to request a student's excusal from participation in all recruitment activities and/or from a listing in the student information directory distributed for recruitment purposes.

Nothing in this policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.
